WHAT'S
The Difference Between
 A man going down Walnut street eating Chestnuts?
 Or a man going up Chestnut street eating Walnuts?
Answer: Oh Shucks!
 Or about the same difference you will find if you investigate the various statements of our competitors, each and every one of whom claim to be understanding all the others and the combined statements of all.

Don't Amount to Shucks,
 when you compare them with the actual values, true worth and real merit of
COOPER'S BARGAINS.
 What we say and what they say may sound very similar, same as this does for instance:
 Otto B. Schott, ought to be shot,
 Yet there is a vast difference between the meaning of the sound. Remember

The Young Men's Democratic Club extends an earnest invitation to everybody to be present and hear the excellent speaker upon the issues of the day, to be made by Messrs. N. P. Cheders and John B. Lindsey to-night.

Buncombe's "big 28" acted independent in nominating their kin men and personal friends on the radical ticket Saturday. This special interest was the only one in which the long independence was seen on that long-to-be-remembered occasion.

The weather for the past two days has been bright and beautiful, and quite cool in the shade. Yesterday morning the frost point was nearly reached, the mercury standing at sun-rise at 46. But there is no immediate danger of killing frost.

The mail and passenger train from Salisbury, due here at 7:38, yesterday morning, did not arrive at the depot in this city until 2:30 p. m., owing to some cause, which we were unable to ascertain.

Richmond, Va., is in want of hotel waiters; big wages are offered and every inducement offered to secure them. Quite a number have left this city during the past few days.

The radical legislature of 1868-'69, the sale of white women and children to licentious negroes in Jones county; the riddling of the flag of the nation with white men at Bakersville; the utter perversion of truth by radical organs, and the action of Buncombe's "big 28" radicals in putting their fathers, cousins, uncles, and personal friends upon the radical ticket in the radical convention on Saturday last, are only a few of the multitudinous instances of infamy that have characterized the existence of the radical party in Buncombe and North Carolina. What a spectacle for honest eyes to behold!

You are hereby commanded to assemble at your armory, this (Friday) evening at 8:15 o'clock, in full uniform. An election of officers will be held. By order of
 J. H. BARNARD,
 Captain Com'd'g.
 DUFF MERRICK, O. S.

A Morning Fox-Hunt.
 A party consisting of Messrs J. Y. Jordan, John G. France, J. H. Herndon, and Misses Fannie and Mamie Hunt, and the Misses Evans, of New York, participated in a morning fox hunt yesterday morning. The party left the city at four o'clock and went to Busbee mountain, under the guidance of Jason Avery, colored, the "boss" fox and "coon hunter" of the Swannanoa. The party started Reynard within a few hundred yards of Busbee, and had lots of fun, but the fox got away, and went to return to the city, some fox-sans hunt, sans everything, save a delightful gallop among the mountains. Some of the party bought a fox tail from Jason, but exactly who it was we were unable to find out. The chase will be repeated, next time with better luck, we hope.

Blackwell's Springs.
 Are beginning to obtain considerable notoriety as a health resort. Miss Lula Davis, of this city, who has been suffering from a complication of diseases for sometime past has returned to the city from a three month's visit to the springs, completely restored to health. At first when she went to the spring, her weight was only ninety pounds; she now tips the beam at one hundred and twenty-three pounds. Her recovery has been a remarkable one, and only goes to prove that the medicinal quality of the water at Blackwell's Springs are of the highest order. Quite a number of similar cures are reported from this place, and we are glad to hear of the increased popularity of the resort.

Gen. Harrison's Letter.
 To-morrow we will give the letter of Gen. Harrison, republican candidate for President, accepting the nomination of his party. We regret we could not have presented Gen. Harrison's letter alongside of President Cleveland's, so the people could read both together, and see for themselves the claims and purposes of the two parties as presented by the two distinguished candidates for the chief magistracy of these United States. All we can ask is that our readers who have received and read Mr. Cleveland's letter will read that letter again carefully, and then take up Gen. Harrison's letter and read it. No mind capable of discriminating, can hesitate as to which meets the issues of the day, affecting the interests of the people in general; and that judgment must be in favor of Grover Cleveland.

To-morrow the action of the voters of Buncombe at the election of the 28th of August, I announced myself a candidate for the office of Register of Deeds of Buncombe county, and the action of the mass meeting of Sept. 5. Owing to the inferred decision of a "so called" committee, my name was not presented to the mass meeting at all. Now declare myself a candidate for the office subject to the voters of Buncombe county. My treatment has been such, had it been another, duty would have prompted me to resent it. Duty now demands that I take this action, and I appeal to the voters of Buncombe to support me. I am a poor fellow, and a man no matter how poor or how rich, how high or how low, how white or how black, shall have justice done him. Respectfully,
 E. J. BROWN,
 "The Poor Man's Friend,"

A CARD.
 To the Voters of Buncombe county:—
 On the 17th day of August, I announced myself a candidate for the office of Register of Deeds of Buncombe county, and the action of the mass meeting of Sept. 5. Owing to the inferred decision of a "so called" committee, my name was not presented to the mass meeting at all. Now declare myself a candidate for the office subject to the voters of Buncombe county. My treatment has been such, had it been another, duty would have prompted me to resent it. Duty now demands that I take this action, and I appeal to the voters of Buncombe to support me. I am a poor fellow, and a man no matter how poor or how rich, how high or how low, how white or how black, shall have justice done him. Respectfully,
 E. J. BROWN,
 "The Poor Man's Friend,"
 Sept 13th.

A CARD KILLED.
 Another child killed by the use of opium in the form of soothing syrup. Why mothers give their children such deadly poison is surprising when they can relieve the pain of the poor little by using Acker's Baby Syrup. It contains no Opium or Morphine. Sold by all druggists.

WEDDING BELLS.
 At the Church Street Presbyterian Church This Morning.

A marriage that is of unusual interest to our people, owing to the extreme popularity of the bride and groom, will be solemnized at the Presbyterian church, at ten o'clock this morning. Of course we refer to the nuptials of Mr. Walter Connelly and Miss Julia Robinson, of this city. The groom is the clever and efficient master of trains on the Western Carolina division of the Richmond & Danville railroad, with headquarters at Asheville. He is one of the most popular and highly esteemed young gentlemen of the city. The bride, Miss Julia Robinson, is one of Asheville's most accomplished, charming, and talented young ladies, who enjoys the esteem and admiration of a large circle of friends. The ceremony will be performed by Rev. W. S. P. Bryan, of the Presbyterian church, and will be witnessed by a host of friends of the happy pair. There will be no attendants, and Messrs. E. R. Overman, R. W. Foster, T. S. McBea, and W. D. Williams will act as ushers. Immediately after the ceremony, Mr. and Mrs. Connelly will leave on an extensive bridal tour, taking in the Cincinnati exposition, and visiting other cities and places of attraction in the north and southwest. The congratulations of many friends, and earnest wishes for the happy couple a long life of happiness and prosperity. May their skies be all sunshine with never a cloud.

The Advance-Herald.
 Will not appear this morning, owing to a break-down in the power press. Machinists are now at work on the defective parts which will be completed to-day, and the paper will appear as usual to-morrow morning.

Hon. M. C. Toms.
 The next senator for the 41st district, reached the city yesterday from Haywood. He is not only enthusiastic, but he is especially pleased with the outlook for democracy generally. Capt. Toms will be elected by a very large majority in his district, as he not only deserves to be, but as he impresses the people wherever he meets them. The people of Haywood assured him—and what they say is true—that he would go out to that splendid county with a tremendous majority. We know Transylvania and Henderson well enough to know they will do so well. These counties are bound for democracy this year.

"Come out From Among Them My People."
 From Mr. Freeman, a staunch democrat and merchant at Bat Cave, Henderson county, who was in the city yesterday, we learn that six prominent republicans living in that section, who heard the joint discussion between Mr. Eug. D. Carter and Mr. H. G. Ewart, at Bat Cave a few days ago, had forsaken the sinking ship of radicalism, and had pledged themselves to vote for Cleveland, Fowler and honest government. This is the way the good people are leaving the false teachings of radical leaders all over the country, and they are refusing longer to listen to these miserable creatures of personal avarice and self-aggrandizement at the expense of honor, principle and truth. "Come yeout from among them my people."

Haywood County Crops.
 Interviews with many of the farmers of this county gave us the assurance that with the exception of wheat, this season is one of plenty. Corn though much oft washed down by the winds of last week, is rated at 110. Tobacco is in condition, much above an average, has so far escaped all injuries, and is curing admirably. Farmers are cutting as fast as the last year, and we heard of only two or three acres that were not satisfactory. We learn also that that crop there had been an increase in average of about 20 per cent. The grass crops are very fine, and with attention to this subject, Haywood will become a large exporter of hay. Cabbage this year is a large crop, and is in fine condition, and will be shipped largely to Southern cities and towns. The apple crop is deficient in quality, and perhaps also in quantity owing to very late spring frosts. The cattle buyers are now in the field, and a large quantity of beef cattle will be shipped to Richmond, Charleston and elsewhere.

Haywood Democratic County Convention.
 On Monday the court house at Waynesville was filled at one o'clock, p. m. with the democrats of Haywood county in convention assembled to nominate candidates for the House of Representatives of the next General Assembly of North Carolina, and such county officers as necessary to fill the places of those whose term of office is about to expire under the limitations of the law.

Mr. R. D. Gilmer called the convention to order; and then, on motion of the Hon. J. C. L. Gudger, Dr. H. N. Wells was made permanent chairman. Dr. Wells made a brief, but pointed and spirited speech. He said everything connected with the democratic party was in good working order in Haywood. Organization was good and effective, enthusiasm was aroused, harmony prevailed. He predicted perfect success to the several tickets in the field. He hoped no claims to be presented to the convention would be prejudiced by the acerbities or eagerness of rivalries, and hoped that the deliberations of the body would be calm and unbiased.

Mr. J. A. Ferguson was appointed secretary.

Under a motion of Judge Gudger, a committee on credentials, consisting of three, was appointed by the chair, viz: Messrs. J. C. L. Gudger, O. Edwards and Squire Walker. The committee retired, and soon returned with the report, and all the townships were lawfully represented except that of East Fork, the delegates from which were detained by high water.

The chairman then announced that the nominations for the House of Representatives were in order.

Hon. J. C. L. Gudger nominated Mr. W. H. Hargrove.

Mr. Jos. S. Davis, of Iron Duff township rose, and seconded the nomination of Mr. Hargrove. He said he had been a competitor with Mr. Hargrove before the primaries. He cheerfully yielded all his claims, and moved that the nomination be made unanimous. Mr. Hargrove had done him no injustice. The contest had been fairly and honorably conducted. He had no heart-burning upon the result. Neither Mr. Hargrove nor his friends had attacked him. He begged his friends to support Mr. Hargrove, and to feel no express any disappointment. It had been said by some that the delay of a week in calling the convention had been detrimental to him. He did not think so. He was not modified. He thought Mr. Hargrove was entitled to the nomination. He would heartily support the democratic ticket. Speaking for his township, he said that in it there was no excitement, no clubs had been formed, nothing done to arouse feelings. Yet calmly, deliberately and with earnest work, he proposed to make Iron Duff the banner township of Haywood county.

Mr. G. S. Ferguson seconded the motion to make the nomination of Mr. Hargrove unanimous; the motion was put and carried.

The nomination for sheriff being next in order, Maj. Sterling placed in nomination the present incumbent Mr. W. H. Leatherwood; and moved that the nomination be made unanimous. The question was put and carried.

The nomination for Treasurer being next in order, Mr. G. S. Ferguson nominated Mr. W. P. Welch, jr. Mr. M. Shelton rose and stated that he had been a candidate before the primaries. He placed himself now before the convention as a candidate, and very forcibly presented his claims for the office. He pledged himself to support Mr. Welch if nominated. The question was put and Mr. Welch was declared duly nominated.

For Register of Deeds Mr. H. B. Moore was put in nomination; and on motion of Mr. C. M. Carpenter, the present incumbent, the nomination of Mr. Moore was made unanimous. Mr. T. S. Siler was unanimously nominated for County Surveyor, and Dr. R. L. Walker, Coroner.

On motion of Judge Gudger, Mr. Jos. S. Davis was appointed a substitute for register of deeds, the motion being seconded by Mr. Hargrove.

The present executive committee for the county was continued with the exception that Mr. E. H. Howell was substituted for Mr. H. Moore nominated for register of deeds.

The meeting was large, intelligent, harmonious and conspicuous for the generosity of sentiment, illustrated most honorably in the attitude of Mr. Davis and Mr. Carpenter towards their competitors. Haywood county has never entered upon a political battle in better trim, with higher purpose, loftier enthusiasm or more perfect harmony.
